

January 20th 2011

Meeting Notes

I. Wilcox Youth Summit:

Discussed how the new college will have been built, providing an excellent location for the 2011 Youth Summit. Decided that the summit will begin at noon on September 30th, resume in the morning on October 1st and finish again at noon. Dinner will be provided on September 30th and lunch on the 1st.

Courts will have to secure hotel rooms on their own, but we will try to secure a rate from Holiday Inn who has agreed to match prices and provides breakfast.

A grant was provided by Freeport McMoran last year which assisted with costs. Will want to contact them again for a donation. Other ideas for grants and donations are needed. Arizona Foundation for Legal Services & Education will not know about their funds from the Supreme Court for this event till this summer as the grant runs from July to June.

II. The role of the Foundation:

Hayley Ivins and Kay Lapid were both laid off last October because of budget reasons. Lara Slifko will currently be handling all Teen Court questions. She has attended meetings in the past, but wants to hear from the group what expectations they have of the Foundation. Will continue scheduling meetings, keeping Teen Court resources, and listing info on the website.

It was requested that the last list of Teen Courts be located and split among the group to find if these Teen Courts are active. Once updated, have list on the website so people can register.

Lara will be contacting courts in June to fill out demographic information for their end of the year report.
